

List of:

Machinists

Names	FGS	Pict	Hist
<u>Thacker</u> had a small Lathe in a shop west of main street in Heber in northwest part of Heber.			
<u>Linden LeRoy Moulton</u> set up his cinderblock building shop at 345 South Main Street. He calls it Moulton's Inc. In March 1984 Linden sold shop, home, and ground to Wendell Saxton, Productions tools of Salt Lake. Linden invented, built and sold over 600 cycle sharpeners in Nevada, Utah, Idaho, Montana, Wyoming and Oregon. He sold it to Robert Breeden of Heber. Then Mr. _____ Montgomery took over.		✓	vobit
<u>Jay D. Jacobsen</u> had a small lathe out in his garage at 90 West 300 North Heber, Utah.			
<u>Orson Burgi</u> has a small lathe in his shop at 123 East 100 North, Midway, Utah.			
<u>James Haverlock</u> worked with Linden L. Moulton for a short time then rented the south end of George Anderson's (Metal Bldg) welding shop by Ike Anderson's sawmill down Hiway 189. He worked there for a short time then moved to Post Falls, Idaho, near Spokane, Washington.			
<u>Bowers</u> built a cement block building at 300 West and 700 South. He set up his shop here and calls it Accuracy Machining.			
<u>Bill Mair</u> had a small lathe in his shop on east main street in Midway, Utah			
<u>John Melvin Moulton</u> 1st had a red brick bldg at 675 West 100 South for machining and Ford tractor sales and repair service.			
<u>Byron Pierce</u> had wooden garage like bldg at South 400 East and had the advantage of acetyline welding.
